The Chainbridge Hotel is an historic, picturesque venue in which to hold your wedding reception.

Our riverside Function Room and garden provide a stunning backdrop in which to celebrate your wedding with friends and family.

We host wedding receptions throughout the year for any couples marrying in any of the local licenced venues in Denbighshire, or for those who wish to travel from further afield to this truly unique venue.

Below is some information on what we offer for your wedding reception, and should this be of interest then we would firstly organise a meeting with you to show you around, discuss your specific requirements, liaise on availability and answer any initial questions you might have.
